

Fact: Nearly in 1 in 5 Texans are living on incomes that put them at risk of hunger each month. 41,000 children in Travis County are confronted with food insecurity every day. With times getting tighter, as well as a growing financial burden on our community, these numbers are dramatically increasing. Thousands of our community's neighbors need your help.

That's why Elephant Moving & Storage has joined forces with the Capital Area Food Bank of Texas to **MOVE For HUNGER**.

Approximately 40 million people relocated in the United States in 2008. **MOVE For HUNGER** is an organization that collects unwanted, non-perishable food from those who are relocating. Our professional moving staff will assist in boxing the donations during the moving process. **MOVE For HUNGER** will then make arrangements for these items to be delivered to the Capital Area Food Bank of Texas.

By teaming up with moving companies across the United States, **MOVE For HUNGER** will bring a tremendous amount of relief to those most desperate for our help. With your support, we will turn the average food drive into one of the nation's largest, year-round service programs, strengthening our communities' food banks and influencing millions across this great country.

It is during these trying times that our nation's charitable organizations most need your support. Your donations will directly impact thousands of families living right here in Texas. Elephant Moving & Storage is grateful for your business and truly thankful for your generosity.

Sincerely,

Johanna Levi
Sales Manager
